COME AND MEET GEORGE AT THE SPRING FEAST

WINTER FEAST – HOT & SPICY

We had a wonderful turn out for the Winter Feast. Cindy's cooking demonstrations were a hit and Brian's pruning demonstration proved popular.

Stallholders provided extra special treats including hot mulled apple juice, apple and cardamom crepes and pumpkin and celeriac soup.

Along with our regular stallholders, Soap by Sandy provided something different with her homemade soaps and Robe Dairy joined us again with their ever expanding range of dairy products. Ananda Garlic came along with their pickled garlic and fresh vegetables.

The Committee would like to thank all Stallholders for helping to make the day such a success. Looking forward to the Spring Feast in October.

USEFUL HINT

If ants are troublesome, put cut lemon wedges in their path

STALLHOLDER FEATURE

This month feature Stallholder is Austar Mariculture from Beachport. Frank is a regular at our Saturday morning market but his wife and daughter also attend the Adelaide Farmers Market on Sunday mornings and have just recently expanded and have a shop in the Adelaide Central Market.

Austar's Fresh and Smoked Ocean Trout is very popular and Frank has tastings at the market as well as whole fish or small packets of fish for sale.

COMING EVENTS :

COMMITTEE MEETING 6 July

SPRING FEAST 31 October

SUMMER FEAST 23 January
Fermentation Day

Our new Market Flags were unveiled at the Winter Feast on Saturday – very impressive!!
